## **ABOUT MEMBERSHIP**

The O.H.M. is a private organisation and not all applicants can be accepted as members. There are many possible reasons why an applicant may be unsuccessful in his/her application and it is not necessarily a negative reflection on their abilities or potential. We regret that under no circumstances will we give reasons for a refusal, nor will we enter upon any correspondence in connection with this matter. The decision once made is irrevocable, and there is no process of appeal or re-application. At the end of each of the first three years of Membership there will be an examination (which can be done in the comfort of your home with access to all the Lectures). Failure to pass any of these three examinations may result in a delay in progressing to the next level. Thereafter, at the end of 3 years, those who have proved themselves worthy in every way, may be accepted to continue with us into the Inner Circle.

## **MEMBERSHIP FEES**

The fees for each quarter are currently £80 (plus £25 postage if outside the UK). There is no application fee. All payments must be made either in cash or by cheque or by paypal or credit card online at [www.hiddenmasters.co.uk/ohm-fees/](http://www.hiddenmasters.co.uk/ohm-fees/). On no account must the name of the Order, or O.H.M., be mentioned on any payments. You may either send your fees with the application, or you may wait until you have received an official acceptance from us, before making any payments, if you prefer.
